Subject: Affiliate status of ACPUA

Dear Mr Serrano Gonzáles,

I have the pleasure to inform you that, at its meeting of 19 September 2013, the Board of ENQA granted ACPUA Affiliate status of ENQA.

ENQA's Affiliate status permits your organisation, on payment of the annual fee (currently EUR per full year), to participate in ENQA's events, to receive its publications, and to access the restricted areas of the ENQA website. Affiliate status is not a membership category but does create a formal relationship with ENQA. It does not, therefore, entitle Affiliates to call themselves members of ENQA.

The usernames and passwords of the restricted areas of the ENQA website are as follows:

I would like to welcome ACPUA as a new Affiliate of ENQA and very much look forward to the active future cooperation between our two organisations.

Yours sincerely,

Maria Kelo
Director
